On location.

Belvedere Point is located in the heart of the Belvedere Industrial Area to the north of Belvedere town centre and 2 miles west of Erith town centre.

Accessed from Crabtree Manorway North, the scheme benefits from immediate access to the A2016 Bronze Age Way, where the main dual carriageway route extends east to the M25 (J1a) at the Dartford Crossing (6 miles). To the west, the A2016 joins the A206 at Woolwich, continuing on to the Blackwall Tunnel (8 miles) and A2 into Central London (15 miles).

The site is a short distance from Belvedere main line station and the new Crossrail station at Abbey Wood which will halve journey time to many Central London destinations.
